NON-DISCRIMINATION

The South Eastern School District fully and actively supports equal access for all people, regardless of race, color, religion, gender, age, sexual orientation, national origin, veteran status, disability or genetic information in its education programs, activities and employment. We prohibit retaliation against individuals who oppose such discrimination and harassment or who participate in an equal opportunity investigation. Any compliance issues/

STAFF BAGS GROCERIES FOR HUNGER AWARENESS

On the afternoon of Wednesday September 20, 2017, the Cardiff Shop Rite had "celebrity" baggers from 12:00-1:00 assist customers with their groceries and bring awareness in the local fight against hunger. Customers who purchased their groceries during the celebrity hour were able to donate money to the fight against hunger after checking out.

The South Eastern team consisted of: Superintendent, Jeffrey Hughes; Delta-Peach Bottom Principal, Zane Fake; School Nurse, Diane Hannak; School Counselor, Bobbi Jo Gross; and Learning Support Teacher, Joe Sledge. The Shop Rite team was tremendous, allowing the "baggers" to work at their own pace. Prior to this event, Shop Rite donated several boxes of school supplies to Delta-Peach Bottom Elementary on the first day of school. Dr. Fake commented, "We are very proud to have an outstanding partnership with our local Shop Rite in Cardiff and hope to continue the joint venture between both local parties. Additionally, I would like to thank General Manager Barbara Welsh and the Shop Rite team for their patience with the "celebrity baggers" since the bagging team did not have much prior experience."

SEMS RECEIVES GRANT FUNDING FOR DRONE

Working with our South Central Workforce Investment Area, South Eastern Middle School identified two High Priority Occupations - Computer Systems Analysts and Software Applications to expose students to rapidly changing workplaces that demand continuous learning and innovation of workers via utilizing drones in the classroom.

Our seventh-grade students will now have multiple opportunities to become familiar with programming drones. Students will plan and program drone flights to complete obstacle courses, as well as drone missions moving specific cargo loads from one location to a designated area. Students will also have the opportunity to program drones and showcase their abilities via drone races or drone challenges during school wide positive behavior assemblies.

In addition, students will complete class presentations demonstrating the utilization of drones in multiple careers, complete a survey about their interests, and the workplace skills/knowledge needed for careers working with drones. Students will have the opportunity to hear businesses talk about how drones are impacting their labor market, essential workplace skills, and relating personal abilities and aptitudes to career paths. Working with drones will spark career conversations among students, parents, and community members.

AHA HEARTSAVER FIRST AID, CPR & AED TRAINING

October Session

Saturday, October 28, 2017 8 am - 12 pm

SAA RAMS YOUTH WRESTLING REGISTRATION

SAA Rams Wrestling registration and information session is set for Wednesday, November 1, 2017 at SEMS Wrestling room - enter in building rear - 3rd door from the corner. Pre-Registration is available by sending an email to SAAWrestlingRams@gmail.com. Registration forms will be sent home from school in early October and we will have more available at registration night. SAA is a proud member of the York County Youth Wrestling League (YCYWL) where participants are paired with partners equal in experience, age, and weight. Throughout the season (November - February), there are many tournaments and opportunities where team members can compete, again paired by experience, age, and weight and receive trophies and/or medals. Registration fee is only \$35. Join the Wrestling Rams and be part of the tradition! Contact Christina Markel (410) 375-3151 for more information about registration.
